**Call to Worship**

L: O God of eternal forgiveness, as we commemorate this CSI Sunday, we invoke your abiding presence amidst us!

O God, the Son, Christ of reconciliation, as we celebrate the spirit of oneness with all the other members of CSI we invoke your grace and mercy that have reconciled us to God, the Father!

O God, the Holy Spirit, as we continue to worship, inspire us to extend the spirit of forgiveness and reconciliation to the broken humanity and the world!

Dear sisters and brothers in Christ, we have gathered here in the name of the triune God who called us to experience fuller life, greater peace and closer fellowship through the Church of South India. Jesus Christ, through his death and resurrection, has broken down the walls of hostility to reconcile us and creation to God and entrusted us with the ministry of reconciliation. In this pilgrim journey of forgiveness and reconciliation, God keeps forgiving our trespasses, let us also commit to forgive the trespasses that are done against us.

C: **God of forgiveness and reconciliation, enable us in this pilgrim journey to be channels of your love to ensure harmony with each other and among your creation. Amen**

#### Prayer of Confession

L: Dear brothers and sisters, sometimes we carry on our lives as if there was no God and we fall short of being a credible witness to God's mission. Hear to what God demands from us:

L: "Take no gold, or silver, or copper in your belts, no bag for your journey, or two tunics, or sandals, or a staff".

C: **God, You have called us to be your witnesses but, we have been thinking more only about our needs and not prioritizing the needs of your mission. Forgive us, O God.**

L: "The man who has two tunics is to share with him who has none; and he who has food is to do likewise." Is it not to share your food with the hungry and to provide the poor wanderer with shelter, when you see the naked, to clothe them, and not to turn away from your own flesh and blood?

C: **God, You have called us to be your witnesses but, we have been mere spectators and insensitive to the needs of our fellow sojourners in this journey. We see, yet sightless, we hear, yet heedless, we speak, yet soundless. Forgive us, O God.**

L: What then is Apollos? What is Paul? Servants through whom you came to believe, as the Lord assigned to each. I planted, Apollos watered, but God gave the growth.

C: **God, You have called us to be your witnesses but, we are divided on the basis of socio-cultural barriers and broken on the basis of caste and class, we have failed to realize that we have different gifts, according to the grace given to each of us, to be used only to edify each other's ministry and mission.**

**O Lord, there is a world of people around us who need to know your love, who need light to shine in their darkness, Love and mercy to bring them home. We have a word to give them; A sure and certain hope to share with them.**

**Lord, forgive our silence in the face of injustice, forgive our silence in the face of our neighbours' suffering, Forgive us for clinging to hope instead of sharing it, For our hesitant, selective, conditional love. Forgive us Lord, not because we deserve it, But because you promised it. Not because we have reached our destiny, but because we are still on a pilgrimage of forgiveness and reconciliation.**

#### WORDS OF ASSURANCE:

L: *The Lord will watch over your coming and going both now and forever more. Psalms 121:8.*

*Surely then God will count your steps and but not keep track of your sin. Job 14:16.*

*Come, let us go up to the mountain of the LORD, To the house of the God of Jacob; That He may teach us concerning His ways And that we may walk in His paths. Isaiah 2:3*

The Lord knows our journey, he watches our ways, he is ready to wash our tired and callous feet filled with stains of sin and marks of evil ways, The Lord will write his divine love on our

hearts again, Let our eyes reflect it, our mouths proclaim it, and our lives declare it, In the name of Jesus, our Lord, our Friend and our Life. **Amen.**

**Announcements:**

**Offertory Hymn or Lyric:**

**Prayers of Intercession:**

**L:** The Church of South India in its pilgrim journey is celebrating its 70 years of united life and witness in this nation. We acknowledge and thank you for the 70 years of independent India and the contribution of the Church towards its Nation Building. We pray, O Lord that you bless our President, the Prime Minister, the Governors and the Chief Ministers and all those who are in authority under them, give them wisdom and courage as they ponder upon decisions affecting peace and the future of the world. Bless our nation and make it true to the ideas of freedom and justice. Pilgrim with them as they uphold the values of your reign in building an egalitarian society with ethos of secularism and democracy

**C: Dwell among us and set us on a pilgrim journey towards responsible citizenship**

**L:** In our pilgrim journey, we remember and pray for the gift of children among us. You made them the citizens of your kin-dom and said that unless one becomes like them, one shall not

enter the kin-dom of God. At this time, we remember those children whose lives are always at risk, abused, rights denied and forced into labour and flesh trade. Children who are differently abled and those who are always aspiring for a safe space within family, school, church and wider community. Help us O Lord, to realize your reign in and through them and to create a violent-free, safe and friendly space grounded in the values of respect and dignity. Enable us to realize the potential you have placed in them by liberating them from the clutches of abuse, ignorance, commodification and neglect.

**C: Dwell among us and set us on a pilgrim journey towards child centered communities**

**L:** We remember women who suffer because what should be uncovered is covered up, women who have been humiliated, harassed and stigmatized and dare not tell, women who have been beaten, tortured and threatened, and cannot tell, have limitations and restrictions in the structure of life and in various forms are being used, abused and misused; forgive us for our complicity in silence and concealment, Transforming God, who turned the Samaritan woman from the excluded 'other' to be the bearer of your gospel, we pray that you will transform the minds and hearts of your people in building a just and egalitarian society where women can walk free without fear, where women and men become partners in your pilgrim mission of welcoming, embracing, relating, creating and weaving together into God's community on this earth.

**C: Dwell among us and set us on a pilgrim journey towards achieving a Gender just society**

**L:** Gracious God, we pray for the elderly who are placed among us as emblems of your grace and wisdom. We remember their feebleness and their yearnings of wanting to be embraced, loved and cared for. We recall the many who are neglected and ignored, left to suffer and die on the streets and those who are helpless due to their terminal illness. Give grace to those that find it difficult to come to terms with other people caring for them, knowing that Your grace is sufficient. Enable us to understand that You trusted an old man to build an ark and save humanity from the flood. You brought a child to Abraham and Sarah despite their years, a child who signalled the beginning of Israel. You guided an aging Moses through the desert so he could lead thousands to the promised-land. Help us to realize O Lord that those were the hands which cleansed our soiled feet and those were the feet which walked miles to give us a living. Help us to love, support and respect the elderly as you do, Open our eyes to see those around us who are lonely, frightened or cold – and give us the compassion to take the time to listen to their stories, to bring them into our own homes and families, and to care for them as you do.

**C: Dwell among us and set us on a pilgrim journey towards recognizing the potential and wisdom of the elders**

**L:** Loving Lord we thank You for all the young people who have trusted the Lord Jesus as their Saviour. We see that there is a vital need for them to grow in the faith and to become established in the truth of the gospel of grace. We pray that they may develop a spirit of reverence and humility towards You and a desire to walk in spirit and truth as they submit to the Holy Spirit - knowing that the fear of God and reverence towards the Lord is the beginning of wisdom. May they grow in grace and become more committed to the cause of the gospel. May they grow in courage and stand for the truth of your kingdom. Guard them from all that would cause them to stumble and guide them into all truth, give them the spirit of discernment and a heart of readiness to serve the community as Jesus modelled.

**C: Dwell among us and set us on a pilgrim journey towards being committed Disciples of Christ.**

L: Lord Jesus, when you multiplied the loaves and fishes, you provided more than food for the body, you offered us the gift of yourself, the gift which satisfies every hunger and quenches every thirst! When your disciples were filled with fear and doubt, you poured out your love and compassion on the migrant crowd, welcoming them as brothers and sisters. We remember before you O Lord those who suffer as refugees and migrants compelled to live a sectionalized life in the periphery of society. Their displacements and the forced eviction due to war and violence and the misery and sufferings of the migrant communities. Help us O Lord, to banish fear from our hearts, that we may embrace each of your children as our own brother and sister; to welcome migrants and refugees with joy and generosity, while responding to their many needs; to realize that you call all people to learn the ways of peace and justice; to share of our abundance as you spread a banquet before us; and to give witness to your love for all people, as we celebrate the many gifts they bring.

C: **Dwell among us and set us on a pilgrim journey towards building an egalitarian society.**

L: Dear God, in our pilgrim journey, we pray for the Marthoma Church, the Church of North India, their office bearers, Bishops, Clergy and members, World Council of Churches, World Communion of Reformed Churches, Christian Conference of Asia, Communion of Churches in India, National Council of Churches in India, and all other Ecumenical endeavours and people of other faiths. **Closing Prayer:**

L: Our most gracious God, we acknowledge your forgiving presence in our worship. enable us to forgive and reconcile in our pilgrim journey. Empower us to comprehend the implications of forgiveness and reconciliation as participating in the reign of God. Enlighten us to respond and accept your call to be the ministers of your reconciliation.

C: **God who is the beginning and the end, we thank you for enabling us to realize that we are only pilgrims in this legacy of this great Church of South India. You have enabled us to leave familiar things and to leave our “comfort zones”. You have inspired us to open our eyes to new experiences, open our ears to hear you speaking to us and now, we open our hearts to your love. Grant that this time spent on pilgrimage may help us to see ourselves as we really are and may we strive to become the people you would want us to be. Amen**

**Benediction**

L: May God the Father who created you, guide your footsteps, May God the Son who redeemed you, share your journey, May God the Holy Spirit who sanctifies you, lead you on life's pilgrimage, and the blessing of God the Father, Son and Holy Spirit be with you wherever you may go. **Amen.**
